

## Leave Your Mark on Eskymo Football History & Support The Escanaba Eskymo Bleacher Project

Eskymo Football continues to stay strong since 1897! Due to our generous supporters, many improvements such as installing the lights, underground sprinklers, concession stand, ticket booth, scoreboard, and black metal fence have been completed. Now is the time to restore the Escanaba Eskymo bleachers and we need your help!

Presented on the back of this letter shows weathered and worn bleachers that are in desperate need of repair. The Eskymo Fan Club is heading this project and the estimated cost is \$400,000. Money raised over the goal will be used for continued upgrades to the football facility so future Eskymos and supporters can continue the long-standing tradition of playing and watching their Eskymos.

This is a great opportunity to show your Eskymo pride and leave your legacy. Whether you were or are an Eskymo, student, teacher, grandparent, or friend, we want to display your generosity as a proud supporter of Eskymo Football! Donate in memory of a loved one, your family, yourself, or business.
